

# SIMPLICITY KITSET STAIRS

Easy to assemble, long lasting kitset stairways, or stringers, which will give you the satisfaction of adding value and appeal to your home yourself.

Made of treated H4 Radiata Pine, kitsets come complete with easy to read assembly instructions.

These products are hand crafted with care and precision, resulting in a fine finished quality wood product to enhance any decor.

Machined to comply with N.Z.B.C. DI Access Code.

**Top Flyte are manufacturers of custom built staircases, handrails and balustrades.**
